Or, if you are unable to access the internet you can
call **01302 736999** for winter advice and support.

Staying warm and well

There are lots of grants and support available to you this winter. From national support such as the warm homes discount and Energy Company Obligation, to local schemes including the Boiler on Prescription schemes, Local Assistance Schemes, and the Household Support Fund.

You can find out more about available schemes and grants by filling out the form online at:

doncaster.gov.uk/EnergySupportForm

Alternatively, you can email:
energy.team@doncaster.gov.uk
or call **01302 737 053**

For more information and energy saving tips visit:

Health and Wellbeing

Winter Vaccinations

If you are eligible for a flu jab or the Covid-19 booster, please get them as soon as you can. Vaccination is the best way to protect yourself from serious illness. The flu jab is free to those eligible through your GP, midwife, school, or many pharmacies across Doncaster. Find out more by, searching 'flu vaccination' or 'covid booster' on [nhs.uk](https://www.nhs.uk) - you can also find out about other vaccinations you may be eligible for on this website.

Are you feeling unwell?

If you start to feel unwell during the winter months don't wait until it gets more serious.

Over-the-counter medicines such as paracetamol or ibuprofen are available to help relieve the symptoms of common seasonal coughs and colds. Talk to **NHS 111**, use the online symptom checker at 111.nhs.uk or speak to any pharmacist for advice.

! You should only call 999 for an ambulance or go to A&E in the case of a serious life-threatening illness or injury.

Urgent care and hospitals

There's always a health professional available 24/7. If you think you need a doctor or nurse and can't get an urgent appointment at your practice, you can call the Same Day Health Centre on **0300 123 3103**. If you need an urgent appointment during the night, call 111. If you're not sure what to do, call 111 or visit 111.nhs.uk website 24/7 for advice.

For less urgent situations when you call your surgery, you may be offered a phone or video consultation, or an appointment in the evening or at the weekend. If you're assessed as needing a face-to-face appointment, you will get one.

Medication

It's important to ensure you have enough medicine in case you can't leave the house for any reason during winter especially during bank holidays. NHS 111 should be able to help with an emergency supply if you run out of prescribed medication. Find out more: [nhs.uk/live-well/seasonal-health/keep-warm-keep-well/](https://www.nhs.uk/live-well/seasonal-health/keep-warm-keep-well/)

Mental Health and Wellbeing:

The NHS Talking Therapies team in Doncaster provides support through to people aged 18+. The team offer free NHS counselling and cognitive behavioural therapies face to face, on the phone, and through a text app to support people with their mental health. To refer yourself, visit: talkingtherapies.rdash.nhs.uk or call: **03000 211 556**

In a crisis:

- Phone your GP, your care coordinator / professional or mental health worker
- Phone Mental Health Access Team on **0800 804 8999** (or Text Phone: 07967 793815) or call **NHS 111** and select the mental health option.

For children and young people's mental health, visit: camhs.rdash.nhs.uk or call The Children and Young People's Crisis Team which is available 24 hours a day 7 days a week: **0300 021 8996**

Supporting vulnerable people

If you know someone who is vulnerable, and they are unwell, encourage them to go to their local pharmacy or phone their local practice. Check in with vulnerable friends and relatives. For more information or to discover a range of volunteer programmes for older people, visit:
